

# LABORATORY ASSISTANT

Redfield Energy, LLC is seeking a Laboratory Assistant. The Laboratory Assistant is responsible for performing various tests including all applicable quality control standards and samples and reporting results to the Lab Manager. The Lab Assistant is also accountable for ensuring all necessary tests are completed accurately and in a timely manner as well as training operators in proper field sampling and testing techniques. Team member must be able to adapt to 12-hour workdays and meet call-in requirements as needed. Proficiency in Microsoft Office as well as the ability and willingness to learn new software applications is required. Individuals must have excellent organizational skills, communication skills, the ability to multi-task, and the ability to work well in a team. Previous experience within the ethanol industry is preferred, but not required.

Redfield Energy offers a compensation package with benefits.
